

CNA at work for nurses in Canada

We care
because you care

CANADIAN
NURSES
ASSOCIATION®

Advocacy. Knowledge. Benefits.

Because you care about your profession

We advocate for nursing

The Canadian Nurses Association (CNA) works with over 139,000 registered nurses (RNs) and nurse practitioners (NPs) across Canada to bring essential and meaningful change to health care and nursing in the country.

YOUR PRACTICE

CNA works to improve health care in Canada and is committed to maintaining a publicly funded, not-for-profit health system for all Canadians by influencing public policy.

YOUR ISSUES

Because your priorities are our priorities, we continuously advocate for the vital role nurses play in our health-care system.

YOUR VOICE

CNA works to ensure nurses' expertise, guidance and concerns are top of mind with government leaders and key decision-makers across Canada.

Because
you care
about
your
patients
and
clients

We bring you the latest knowledge

CNA makes it easy to stay up to date with nursing specialties, current practices, ethics and public policy. Joining CNA gives you access to:

- *Canadian Nurse*™
- More than 100 nursing specialty publications and toolkits
- The *Code of Ethics*, CNA's most popular practice resource
- Tools and online resources to help nurses improve patient health outcomes
- The NurseONE.ca library of more than 2,000 e-books
- Reports and position statements on current issues
- *Bringing the Code of Ethics to Life* learning modules to help you in your practice

Learn more about CNA's *Code of Ethics* at
cna-aiic.ca/ethics

Because you care about your career

We help you achieve your goals

Our professional development programs and events provide valuable opportunities to advance your nursing career and network with other nursing professionals.

CNA offers:

- The CNA Certification Program, Canada's only national nursing certification credential (with savings of \$200 for nurses who join CNA)
- Membership in the International Council of Nurses, a federation of national nursing associations representing nurses in more than 130 countries with Canada as its fifth-largest member. Membership creates opportunities for Canadian nurses to share their expertise worldwide and contribute to the global nursing perspective.
- Connection to the Canadian Network of Nursing Specialties
- Discounted rates for continuing education courses including 140 specialty clinical courses
- Progress in Practice webinars on topical issues affecting nursing today
- Career development resources to help you discover the work best suited to your aspirations and skills
- Access to NursingCareersCanada.ca to browse jobs and post your resumé
- Special rates for CNA's biennial convention
- CNA Now to keep you informed of ongoing projects and initiatives
- The Dorothy Wylie Health Leaders Institute across Canada to benefit nurses, their patients and clients
- RNs and NPs can apply to become a Canadian Nurses Protective Society beneficiary when joining CNA
