

Life here is good. MAHC makes it better.

**Life in
Muskoka
is magical.
Let us help
you make
your move.**

Proudly Serving Our Communities – Delivering Best Patient Outcomes with High Standards and Compassion, Muskoka Algonquin Healthcare (MAHC) is a multi-faceted organization that includes Huntsville District Memorial Hospital Site and South Muskoka Memorial Hospital Site.

Manager, Emergency & Surgical Services

● full time, Huntsville District Memorial Hospital Site

An excellent communicator, you will champion the coordination and provision of patient and family-centered care, patient safety, and service excellence for the Emergency & Surgical Services Departments at the Huntsville District Memorial Hospital site of MAHC. Integral to the success of MAHC's multi-site organization, this role will work collaboratively with colleagues at the SMMH site to create strong and consistent Emergency and Surgical programs across the organization. While providing leadership in optimal patient flow and promoting inter-professional practice, working collaboratively with internal and external stakeholders, you will plan, organize, and direct the day-to-day activities within these departments, taking an active role in ensuring smooth daily operations. While furthering the goals and objectives of MAHC, you will be responsible for creating, implementing, and maintaining a nursing structure and care model that best meets the needs of the patients, staff, occupational health and safety, and the organization.

You have at least six years of current progressive professional experience as a Registered Nurse with a focus in and recognized credentials in the areas of emergency and or surgical nursing. Able to adapt to and foster change, you have current registration with the College of Nurses of Ontario and are dedicated to professional and leadership development. A minimum of three to five years of current progressive management/leadership experience, an asset. Experience in a unionized hospital environment coupled with an undergraduate degree in Nursing or other related field is required. A full job description is available upon request.

Applicants interested in becoming a part of an energetic, caring team in a fast-paced and rewarding environment can make inquiries or send a current resume by **Friday, September 1, 2017** quoting **Job #17-171**, to:

**Human Resources Department
