

ExpectMore

## **Nature knows no limits. Neither should your career.**

Sometimes you have to make a bold move, leaving behind the everyday to join an organization that's truly different. If you're looking for outstanding career opportunities and enjoying an outstanding quality of life, you owe it to yourself to choose Northern Health in beautiful Northern British Columbia.

---

### **Emergency Room Nurses Various Locations throughout Northern Health in Northern BC**

Reporting to the Manager, Critical Care, the staff nurse is responsible for assessing, planning, implementing and evaluating patient care and nursing practice activities within the frame work of quality management and in accordance with the Hospital mission statement. The role is defined by the needs of the Hospital, a select patient/family population, agency expectations and the goals for professional nursing practice.

To be successful in this position you will have a practicing registration with the College of Registered Nurses of British Columbia, postgraduate courses (within last five years) appropriate to service assignment or equivalent combination of education, training and experience.

---
