

PIA Law is proud to announce the Annual **Healthcare Education Bursary Program**

**Community
Healthcare
Professional
BURSARY**

PIA Law Community Healthcare Professional Education Bursary.

The purpose of this bursary is to support and encourage healthcare professionals working within the brain and spinal cord injury fields to continue to pursue professional development in the areas of brain and spinal cord injury rehabilitation.

PIA Law is proud to fund two annual bursaries awarded to community healthcare professionals working within the brain and spinal cord injury fields to a maximum of \$2,500 per bursary.

The bursary will be awarded twice a year. Application forms must be received by May 31st or November 30th of the current calendar year.
